The Accent is everything you could ask for in a small, yet highly energetic car. Put yourself in the driver's seat and get ready to have the style, comfort and technology of the Accent to set your world in motion.

Bold new front grille.

Accent's new look features a mesh-style upper grille with a dark chrome surround that is complimented by a matching lower grille, the two separated by the prominent bumper. The restyle enhancing the car's bold sportiness and youthful image.

Premium steering wheel with mounted controls.

All the most used controls are now at your fingertips including audio and cruise control as standard, so you can enjoy the in-car ambience, while staying in complete control of the car.

5" touchscreen with Apple CarPlay.

Never miss a call or a beat with Apple CarPlay®. The 5" multimedia touch screen supports key iPhone features you need to stay tuned and connected while on the road.

Spacious boot.

The Accent is everything you could ask for in a small, yet energetic car. With a spacious boot that is 370L in a hatch and 465L in a sedan.

Driven by fun.

The Accent now comes with a more powerful 1.6L GDi Gamma engine, replacing the 1.4L MPi Kappa engine. Both the Accent hatch and sedan are available with your choice of a 6 speed manual or automatic transmission.

Safety first.

We've designed the Accent to achieve a maximum 5-star ANCAP safety rating, with 6 airbags and a range of active safety technologies.
