### Description

*Pictures are for advertising purposes only*

Spacious, handsome, lovingly crafted and with a powerful new V6 drivetrain on the way, the multi-award winning Santa Fe is arguably one of the most fully-featured, best value large SUV on the market.

Want the added grunt of a V6? This new performance powertrain option is made for heavy lifting. Outputting 206kW in power and 336Nm of torque, it's perfectly balanced with a slick 8-speed automatic transmission driving the front wheels.

Quality materials and finishes, outstanding seat comfort, the latest technologies, and galaxies of headroom and leg space all come together to make the fourth-gen, 7-seat Santa Fe one of the most comfortable rides on the road. Configure yours easily to make every drive a pleasure.
